

# SEVEN SCENES BEFORE THE WORLD BEGAN:

GOD PULLS BACK THE ETERNAL CURTAIN TO ALLOW US TO SEE HIS HEART (PURPOSES) & PLANS (COUNSELS)

#	VERSE	PRECIOUS UNVEILING	TEACHING
1	Prov. 8:30, 31	<ul style="list-style-type: none"> <li>• <b>The Son was the delight of the Father</b></li> <li>• <b>The Son's delights were with us!</b></li> </ul>	Long before the Lord Jesus took a body and was born into this world He was the delight of His Father and He looked forward to the day when He would have us for Himself!
2	John 17:5	<ul style="list-style-type: none"> <li>• <b>The glory of the Son in a past eternity</b></li> </ul>	The Son is coequal with the Father in His glory and if we know the Son we also know the Father.
3	John 17:24	<ul style="list-style-type: none"> <li>• <b>The love of the Father for the Son</b></li> <li>• <b>The son's desire to have us with Him</b></li> </ul>	It is precious to think of the divine love that existed between the Father and the Son and the Father loves us the same. The Son wants us to be with Him and behold His glory – what a day beloved that will be!
4	Eph. 1:4	<ul style="list-style-type: none"> <li>• <b>We are chosen in Christ – holy &amp; without blame</b></li> </ul>	We have been chosen by sovereign grace to be holy and without blame all because of God's plan and Christ's work!
5	1 Pet. 1:20 John 1:29	<ul style="list-style-type: none"> <li>• <b>The price that was paid by the Lamb of God to redeem us and take away the sin of the world</b></li> </ul>	What a consideration to think that God would give His Son whom He loved for us and to fulfill God's righteous demands would suffer, die and bleed on the cross!
6	2 Tim 1:9	<ul style="list-style-type: none"> <li>• <b>We are not only chosen &amp; saved but called to a holy calling</b></li> </ul>	It is a most sobering exercise to realize that we are called to be holy – to display the holiness of God before all!
7	Titus 1:2	<ul style="list-style-type: none"> <li>• <b>The full display of eternal life in us was planned</b></li> </ul>	We await the full display of the eternal life, incorruption and immortal but we are assured that it is sure and certain!

**It is exceeding precious and exercising to think that an eternal holy God (Is. 57:15) would allow us (poor failing creatures) to hear and realize what went on between the Father and the Son in a bygone eternity! We might say with the apostle Peter: "...what manner of persons ought ye to be in all holy conversation and godliness" (2 Pet. 3:11)**
